

eFolio Website - Semester 10th grade

Points Awarded	Points Possible	Assignment	Description
		Website Creation Overview	<p>You will use weebly to create a personal portfolio of work to share with others. This website is build a "digital footprint" that will present you in a positive light. Your design should be attractive and "professional" with your homepage with basic information about you that is not too specific or revealing of private information. (First name last initial unless you have permission from your parents.)</p> <p><small>Your homepage should include a summary and also link to the other pages on the site. It should have a paragraph that links to everything and also an attractive photo of some kind.</small></p>
10	10	Home Page	Leave what you had last year and just update it, or create a new accomplishment.
5	5	Accomplishment Page 1	Leave what you had last year and just update it, or create a new accomplishment.
5	5	Accomplishment Page 2	Leave what you had last year and just update it, or create a new accomplishment.
10	10	Community Service 1	<i>Include a community service that you support with a hyperlink (if possible) and information on how you've supported this community service. You must include photographs.</i>
5	5	Honors	Include a listing of all of the major honors and achievements split by Academics, Athletics, Extra Curricular, Community Service
5	5	Education	On this page you will include the courses you have taken thus far in high school. Include one paragraph at the top about your favorite course(s)
25	25	App Page	This was your page on the "cutting edge" - you can leave cutting edge or merge the two together. Create a page about the app(s) you've created. Include presentations, screenshots, and specifics about what you accomplished on the project. Embed the trailer for your final app.
5	5	A Thought to Ponder	On this page, you will write inspirational thoughts and opinions including some favorite quotes and perhaps even an inspirational youtube video of some sort.
20	20	Portfolio of Work	This page will include your 9th grade work but you will add your invention video, your app trailer, and at least 2 other items you've created or done this year that you think are a major accomplishment for you.
10	10	Attractiveness and Design
